Madera Union High School

THE INDUSTRY OF MAN

MADERA COUNTY LIBRARY

FOREWORD

In this yearbook the high school is portrayed in a new light. This light focuses on the high school as the factory of development and maturation of the individual.

The first stage of development takes the form of the *raw material*, the underclassmen. As the *raw material*, there is a tendency to group together and absorb the security offered by this association. Rather than formulating individual ideas and ideals during this period, there is a strong inclination to borrow those of other people.

Through the guidance and influence of the *gears of progress*, which is the administration, the *raw material* is gently molded and shaped into the various forms which it will assume as the *final product*. Without the supervision and occasional prodding of the administration, the *final product* would undoubtedly contain many more flaws.

The *molders of the individual*, the organizations, and the *builders of expression*, the activities, provide the opportunity for self-expression as individuals. Through these two means personalities, ideas, and expressions are able to develop in a well balanced manner.

The *wheel of determination*, sports, is one of the most vital methods of strengthening character and stamina. As this wheel turns, one learns to accept defeat as well as victory. To experience a failure and to accept it gracefully is, perhaps, the most essential part of maturation.

Through these various steps of development—the *gears of progress*, administration; the *molders of the individual*, organizations; the *builders of expression*, activities; the *wheel of determination*, sports—the *raw material*, the rough, undefined state, is transformed into the *final product*, the result of the factory of development and maturation.

ADMINISTRATION

of progress

You young people today are exposed to more ideas, philosophies, and pressure groups than any other generation in history through the media of press, radio, and television. You are continually challenged to make decisions concerning the "mainstream" or "extremism," to support the free speech movement, or to continue to uphold the concepts of our democracy as it guarantees the rights of an individual within certain constitutional limits.

Out of all the conflicting ideas and philosophies put forth for your consideration you must finally arrive at some conclusions and make some decisions. These will become your ultimate beliefs and philosophies, arrived at, I should sincerely hope, through serious thought and study, rather than through a hastily-made judgment based solely upon what you happen to hear or see at a particular moment.

ADMINISTRATORS

Curriculum and Guidance
Mr. Robert Machado

Dean of Girls
Miss Jane Ellen Curry

Dean of Boys
Mr. Robert Warner

Auxiliary Services
Mr. Sanford Grover

The administrators prepare the student for an active role in the Community after graduation.

In their relationship to the Community, the administrators must assume the responsibility of co-ordination. They must meet the questions of a growing Community and see that students under their direction receive the proper background for their future role.

COUNSELORS

The principal objective of our guidance service is to assist every Madera Union High School student to select an educational goal which is in harmony with his interests, background, and abilities; and to select courses and activities which are in harmony with his goal.

Each student in school has at least two interviews with his counselor during the school year. Future vocational and educational plans are discussed, programs are made, and problems ironed out.

STANDING: Mr. Machado, Mr. Lowry, Mr. Potter, Mr. Pettit, Mr. Farrell, Mr. Piperato.
SEATED: Miss Trueax, Mrs. Mastin, Miss Curry, Miss Patton.

AGRICULTURE

Modern agriculture is growing as well as changing. The great field of agriculture, with its farming and off-farm specialized jobs, offers almost unlimited career opportunities for alert, adequately trained young men today.

Vocational Agriculture at Madera Union High School is a program of systematic instruction in agriculture and farm mechanics for those students who have entered or who are preparing to enter the industry of agriculture. The purpose of Vocational Agriculture is to: help boys get established in farming, train boys for careers in some phase of agriculture or agribusiness, educate boys for advancement in professional agricultural occupations by preparing students for colleges and universities.

The objectives of instruction in Vocational Agriculture are to develop the understanding, skills, abilities, and attitudes needed to progress in the field of agriculture.

APPLIED ARTS

The objectives of study in our Industrial Arts Department is to establish firm foundations in the specific industrial fields and to provide our future communities with the needed specialists. Courses offered are Auto Mechanics I, II, III; Mechanical Drawing I and II; Basic Electricity; Electronics; General Metal; and Wood Working I and II.

America's future homemakers find expert and specialized instruction in our Home Economics Department. In a girl's freshman year she has the option to take a general homemaking course after which she may specialize in Clothing, Foods, or both. Training in Home Economics helps the individual to become a better family member now and later in life.

BUSINESS

Business Education is designed to assist students to develop skills adequate for full-time employment, part-time employment, and personal use. Courses are available to students to prepare themselves to be general office clerks, file clerks, receptionists, typists, stenographers, secretaries, salesmen, and bookkeepers.

A business education provides a business background for every adult—the family man, the businessman, the housewife, the social and civic-organization member—wherever finances or economics are involved. To as great a degree as possible, the different courses in business education are geared for pre-training for automation requisites.

Different courses are offered as the need arises, and each course is periodically evaluated and adjusted to meet the ever-changing techniques in our business world.

ENGLISH

The ability to communicate is man's greatest asset. Attempting to perfect his ability and to stimulate his individuality is the chief goals of the Madera High English Department. All freshmen, sophomores, juniors, and college-bound seniors are required to take English. Each year is geared at completing certain phases of the English program. The first two years are devoted primarily to the advanced study of grammar and the awakening of the creative spirit in writing. The junior year is dedicated to American Literature, its influences, and contributions. *Hamlet* and *Romeo and Juliet* are always favorite undertakings in the senior year where English Literature is the mainstay of study.

FINE ARTS

Art is; to use red, blue, yellow, dark, light, volumes, shapes, straight lines, curves; with surfaces smooth, rough, shiny, dull, hot, cold, hard, soft, brittle, firm, strong, weak, sandy, buttery, sharp, silky; working clay, paper, cloth, leather, metal, wood, cement, plaster, plastic, glue, paint, glass, stone, plants; with your hands, your heart, your need, pencil, pen, file; by printing, carving, scratching, pulling, pressing, rubbing, pasting, welding, molding.

Our Fine Arts Department seeks to enrich the minds and increase the cultural scope of the individual. Many new talents are found and developed at MUHS. These prove to be assets and blessings in the years to come. Our music Department, headed by Mr. Harkins and Mrs. Worthington, has won valley acclaim and each year adds to its list of honors.

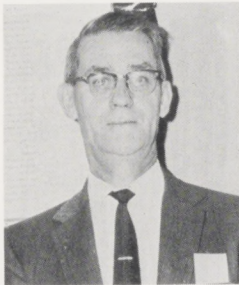

FOREIGN LANGUAGE

The Language Department at our school offers four languages—German, Spanish, French, and Latin. The emphasis on speaking helps to overcome the initial shyness of the student as he learns to imitate the correct model and becomes substantially conversant through habit. Many foreign language teachers feel that although more demands are placed on the teacher, this is a step forward in language learning.

Audio Lingual Materials present production of original Glastonbury materials originated by Glastonbury Public Schools, Glastonbury, Connecticut. The ALM method differs from traditional or grammatical approach to language learning in that initial emphasis is based on ability to understand and speak the language. The idea is an approach to language learning. It is similar to the method which a child first learns to speak. The ALM is new to Madera Union High being instituted in 1963 in the Spanish classes. This year it was expanded to include German and French classes.

MATHEMATICS

We use the "modern approach" in teaching mathematics, i.e., we emphasize meanings and reasons and so complement the work now being done in elementary school. Rules basic to all mathematics are presented to students at the beginning of their training.

Algebra, geometry, and trigonometry are stressed, since they are basic for later work in mathematics at the college level. But also topics, such as probability and logic which may be used in other fields, are introduced.

Keeping the student interested is a prime concern, and we recognize this in such ways as encouraging model construction and showing where mathematics is used in everyday life. To provide an interesting experience, probability is taught using a programmed text. Classwork is supplemented by occasional tours, speakers, and films.

SCIENCE

In order to maintain the world-ranking the United States now enjoys, she must continue to produce superior scientists. Our aim at Madera Union High is to the opportunities and most excellent conditions possible for emerging young scientists. The Science Department staffed with excellent instructors diverges into the areas of General Science, Biology, Chemistry, Advanced Biology, and Physics. It is our hope that through these studies we at Madera have done our part in helping to stimulate one of America's greatest assets—her scientific minds.

PHYSICAL EDUCATION

Activities in physical education at Madera Union High School have been selected to meet the needs and interests of the students during their four years of high school.

Experiences in physical education help the student to develop in many ways. By being a member of a team or of a dance class he or she learns to become socially accepted in a group.

By participating in swimming, golf, bowling, tennis, badminton, and archery a girl has the opportunity to learn an activity which she will find suitable for leisure time and which she can enjoy in the home or community now and later.

The boys' physical education department offers a wide variety of activities that boys could use now and a wide selection of carry over activities such as bowling, golf, tennis, social dancing, badminton, swimming, and archery.

Since physical health is so important, it is hoped that the students will learn to develop and maintain the highest possible level of fitness and physical efficiency for meeting the demands in the busy world of today.

SOCIAL SCIENCE

Today's modern individual must consider himself as a single link of a large chain. Today, no person on earth is protected from the hungry hands of human progress. In order to be a strong and useful link, it is necessary to broaden one's intellectual horizons and secure a working knowledge of man's history and cultures. The enlightened citizen carries a rudimentary knowledge of his past and that of his foreign neighbors. Courses offered striving to achieve the above goals are World History, United States History, History of the Far East, and Civics.

1965 BLUE AND WHITE

Being classified as one of the top yearbooks in the San Joaquin Valley, Madera High School's *Blue and White* is edited by a chosen staff of seniors working steadily and in harmony receiving no class-credits for laboriously undertaking this task.

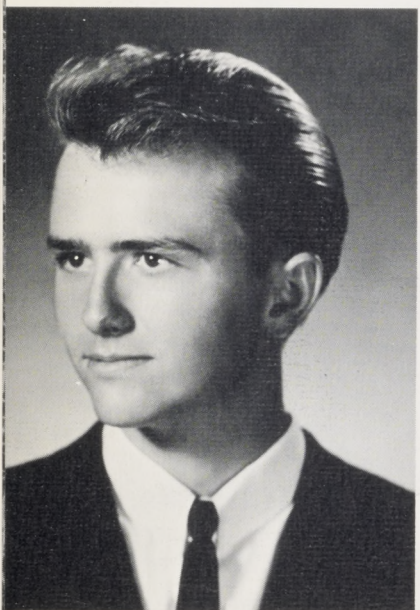

Resulting in a product of the collective efforts of all the staff under the guidance of Mr. Griffith, this final product could not have been produced without the cooperation of those directly involved with its actual composition.

The work begins in midsummer when many ads are sold to the various merchants in town and does not end until the last page is sent in to the publishing company.

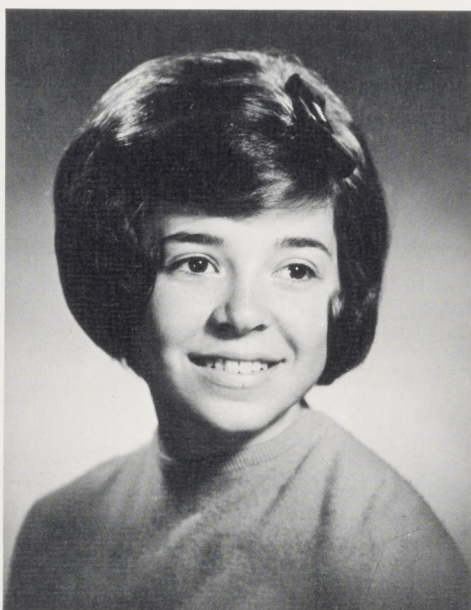

Working in conjunction with the publishing company and its representatives, the production of this book could not have been made possible. Therefore, in conclusion, before one is inclined to assess and evaluate, it is most important to call to mind the time and individual endeavor that has been implicated.

IN

MADERA UNION HIGH SCHOOL

ADMINISTRATION

ACTION

YAC

OFFICERS: M. Ybarra, R. Perez, D. Lopez, L. Magarian.

Having no requirements for membership, students in the Youth Against Cancer volunteer their time and assistance in supporting the fund raising efforts for the club. Working in conjunction with the Madera County Cancer Society and the American Cancer Society, YAC has sponsored cake sales and has conducted a car wash. In addition to this, a dance was given so as to augment the club's major fund.

Under the leadership of Doris Lopez, president, and her executive staff, the club is well on its way to reaching its goal of contributing as much as possible to a worthy cause.

TAP

Putting forth time and effort to assist the local March of Dimes is indicative of the Teens Against Polio.

Being able to raise funds, which in turn are used for the definite purpose of helping those less fortunate, the club should acquire the highest of recognition.

By selling peanuts during the course of the year, and by participation in Bermuda Day, the club is able to contribute a vast sum of money to the local chapter.

Truly the Teens Against Polio contribute much to the success of Madera High's extra-curricular activities.

OFFICERS: B. Flores, Secretary; J. Leveille, Treasurer; J. Isakson, President; M. Henderson, Vice President; B. Edwards, Publicity.

GENERAL FIELDS: A. Hendrickson, Liberal Arts; M. Flores, Science and Mathematics; P. Robertson, Vocational Arts; D. Bowser, Fine Arts. SPECIAL FIELDS: A. Hendrix, Agriculture; L. Jessing, Social Studies; J. Haney, Music; P. Wilson, Art; S. Ervin, Laboratory

Science; C. Lari, Foreign Languages; J. Miner, Industrial Arts; L. Cortopassi, English; J. Vogel, Home Economics; K. Williams, Business Education.

BANK OF AMERICA AWARD WINNERS

The purpose of the Bank of America awards is to recognize and honor outstanding seniors whose scholastic attainment, sense of civic responsibility and evidence give promise of future success and service to society.

Fifteen Madera Union High School students have received this award. Eleven of these students received certificates at the Awards Assembly in June, while the remaining four entered into competition with other winners in this zone for cash awards.

GIRLS' STATE AND BOYS' STATE

Adele Hendrickson

Adele Hendrickson and Doug Robertson, both seniors, represented MUHS at the annual meeting of Boys' and Girls' State.

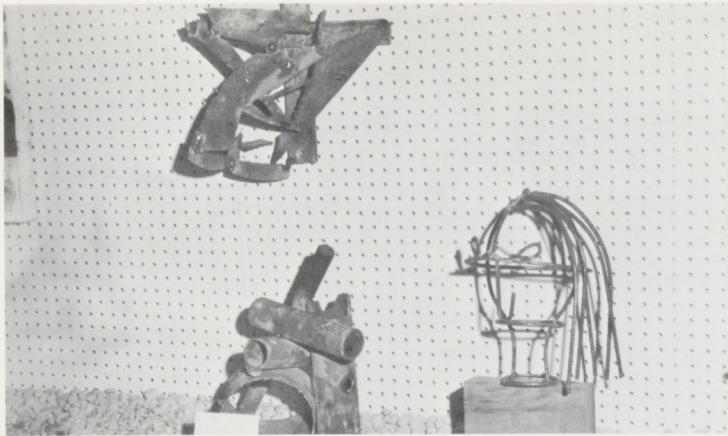

Boys' and Girls' State are both designed to give a selected number of students from all parts of the state of California insight into the practical and theoretical aspects of government through individual participation. Representatives attending the convention are divided into political parties and throughout the week they perform the function of each level of state government.

Doug reported that the highlight of his trip was his visit to the State Capitol. Adele stated that the political conventions proved to be most stimulating to her.

ART CLUB

Trying to make the student body, and the administration aware of art and its different aspects is the primary purpose of the Art Club.

This year, the club sold pom-poms at the football games, and sponsored an after-game dance. The money that was raised went into the club's treasury, and eventually will be used to purchase a fine work of art for the school.

President Fran Downing, Secretary Claudia Fletcher.

OFFICERS, left: Mary Ateca, Pam Robertson, Ruth Janzen, Sandi Carmassi. Kneeling: Linda Prosperi.

Promoting friendship and wholesome activities among girls is the primary objective of the Zenith Horizon.

This year the Senior Horizon was in charge of the Christmas Ball of which they did a fine job. Also included among other activities, the club was responsible for the dance put on for the Camp Fire Carnival. They also participated in Bermuda Day where they set up a booth to contribute funds to the student body.

AURORA HORIZON

FRONT ROW: B. Edwards, J. Hatch, M. Westing, D. Tanaka, M. Farino, P. Leveille, L. Ervin. ROW 2: J. Hensely, L. Lazeretti, G. Dearing, K. Faso, K. Isakson, Y. Landerman, C. Mora, M. Scher, S.

Peregoy. ROW 3: D. Molina, B. Flores, J. Pitman, L. Roberts, M. Westing, Y. Sagouspe, B. Carlson, G. Brown, H. Foster, D. Gassman, C. Reed.

A few of the purposes of Horizon clubs is to establish a lasting friendship among themselves as a group and to enjoy the service they give besides. Aurora Horizon succeeded in accomplishing these purposes and in addition to this served the community as well.

Among some of the main activities throughout the course of the year, the side show presented at the Camp Fire Carnival was of primary importance.

The club, open to all junior girls, has not only done a fine job this year, but will also dedicate itself to serving Madera in the near future.

OFFICERS: Yvonne Landerman, Barbara Flores, Jeanne Hatch. Kneeling: Karen Isakson.

Any freshman girl can become a member of Iris Horizon. Being primarily a service organization, the group has contributed much time and service to helping others.

In addition to operating a booth at the Camp Fire Carnival, they also set up a booth on Bermuda Day.

Being the largest Horizon group on campus, they have certainly contributed their share and even more toward bettering friendship not only among themselves but also for the community.

OFFICERS: Diana Hendrickson, Debbie Benson, Kathy Lesan, Susan Bowser. Kneeling: Cinda Allison.

AMISTAD HORIZON

FRONT ROW: N. Medina, V. Ybarra, M. Lopez, R. Mlotkowski. ROW 2: S. Hernandez, R. Zaragosa, S. Delacruz, R. M. Corria, M. Chavira.

OFFICERS: M. Lopez, R. Zaragosa, R. M. Corria.

Working to serve the community and the school, Amistad Horizon, at the same time, has provided clean fun and recreation for its members. This year the club has made individual donations that went toward the completion of the Kennedy Library, and in addition to this, the club also used its funds to donate to CARE.

During the latter part of February, the girls went on a snow trip to the Sierras to enjoy a day of fun and recreation. The advisor, Mrs. Chapa, has done a fine job, and will in the future continue leading the girls as they work to serve their community in the best way they know how.

DRAMA CLUB

OFFICERS: P. Weber, S. Peregoy, M. Wood, Spring President. ABSENT WERE: C. Malick, J. Kochergen, M. Arnold, Y. Landerman, M. Weaver.

This year's Drama Club took an active part in student activities in its first full year. Trying to pick up after last year's hurried establishment, it started out under the direction of Cheryl Malick, fall semester President and Mr. Merri-man, advisor. The spring semester was led by Mary Woods, President and Mr. Pesano, advisor. Drama Club took a field trip to Fresno State for a play and also put on a play for the benefit of Future Nurses and produced one of their own.

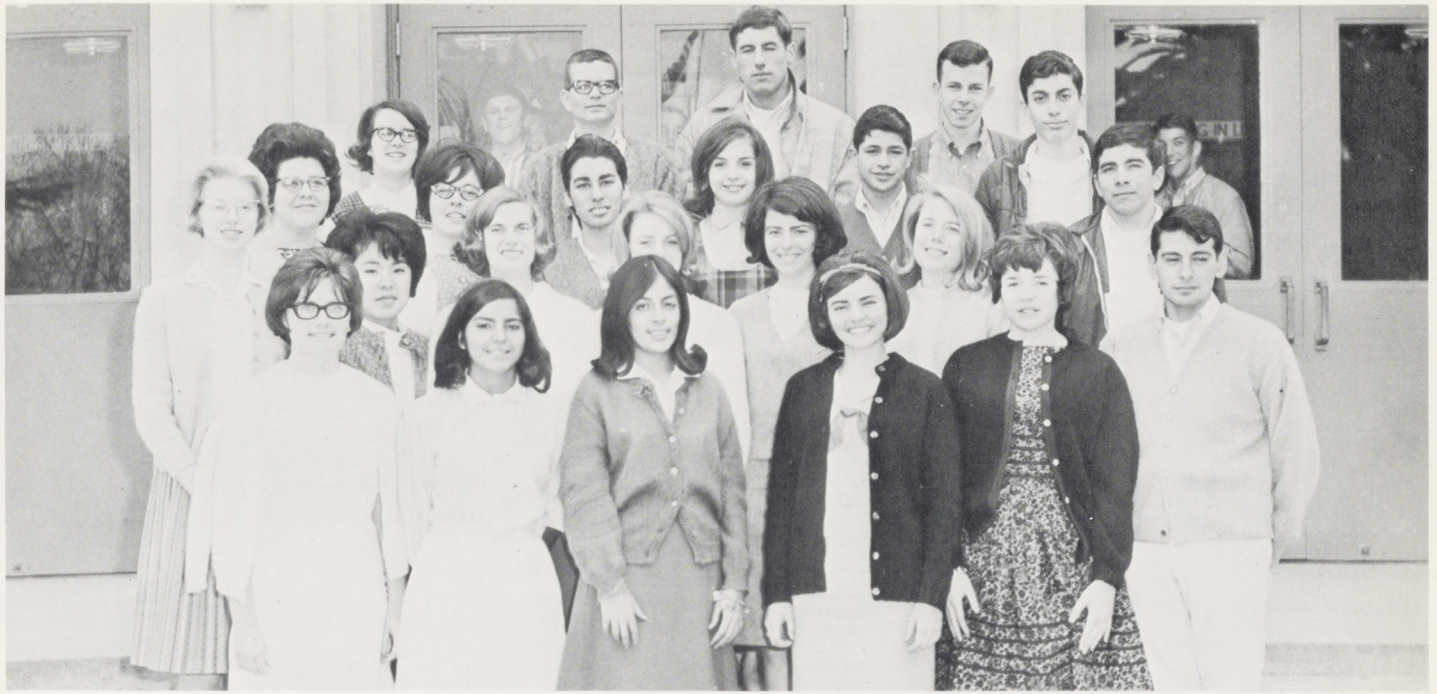

OFFICERS: N. Dobashi, A. Hendrickson, M. Seher, C. Lari, L. Magarian, B. Peregoy, S. Peregoy.

CSF

Academic achievement is of primary importance in establishing membership in the California Scholarship Federation. In addition to satisfactory citizenship, one must have earned a minimum of ten grade points per semester. Life membership is established when a student has been a member of CSF four semesters, one of which must have been in his senior year.

Under the advisorship of Miss Trueax, and Mr. and Mrs. Mastin the club has operated concessions at both football and basketball games and has sold paperback books. This year's spring trip was held at the Wonder Valley Dude Ranch.

LIFE MEMBERS—ROW 1: A. Hendrickson, M. Flores, D. Lopez, C. Lari, S. Carmassi, A. Saragoza. ROW 2: L. Jessing, N. Dobashi, R. Janzen, D. Bowser, S. Weber, D. Green, K. Alviso. ROW 3: L.

REPORTERS: S. Norris, K. Stephens, N. Tiller, K. Sciaqua, M. Ateca, T. McNally.

ADVISOR: Miss Kloster ASST. EDITOR: Phyllis Patrick.

BUSINESS STAFF: Gerry Acre and Janie Hensley.

The Maderan, printed bi-weekly, is the school's sole form of school communication. The Maderan Staff sees to it that every aspect of campus life is covered in the newspaper. In addition to articles on social and governmental activities, small humor features add to the general interest of the paper.

The editor, Tressa Hass, and her workers have done an excellent job in regards to school news coverage and the journalism department should be well proud of their student journalists.

EDITORIAL STAFF: P. Patrick, B. McDonough, P. Halpern, J. Watrous, Tressa Hass.

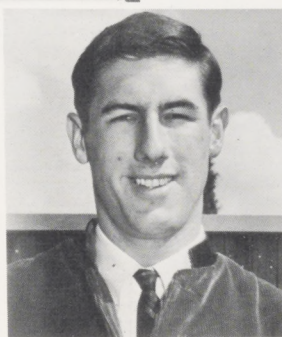

STUDENT ACCREDITATION COMMITTEE

A program of self-appraisal and accreditation of MUHS by the California Association of Secondary School Administrators was held this year. The purpose of the program is to improve the quality of the educational program as a direct benefit to the student in the secondary schools of California.

The student committee was composed of the student body presidents, class presidents, representatives of both sexes from each class, and representatives of various ethnic groups.

DANCE BAND

PEP BAND

The Madera High Pep Band did very much this year in regards to promoting school spirit. They were responsible for supplying the music at the basketball games and worked hard to make this year's football and basketball seasons a success.

The Stardusters, Madera High's dance band, is considered one of the best dance bands in the valley. The group provides music for various high school functions and has also performed for many out of town functions. Under the direction of Mr. Harkins, the band will continue to give enjoyment to all who will have the pleasure of hearing them perform.

SPRING

Under the leadership of Bob Peregoy, fall Student Body President, the Student Council originated the plans for the Student Center.

Larry Melikian, spring Student Body President, saw to it that things were kept rolling from the fall semester. During the month of May, Bermuda Day activities were discussed in which it was decided that 60% of the profits were to go into the Student Center fund.

Fall Vice President—D. Anderson

Student Legislature provides an opportunity for the general student body to express their ideas through their student legislature representatives. Under the leadership of David Anderson and Jim Yarbrough, fall and spring student body vice presidents, Student Legislature has accomplished a great deal. The following is a list of a few of the bills presented this school year.

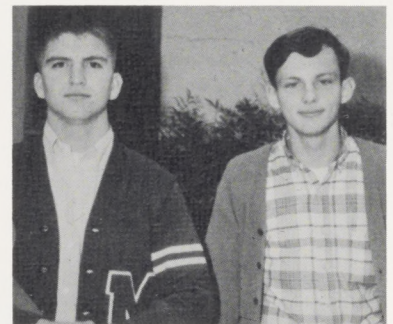

1. Establish American Field Service Club.
2. Obtain new mascot costume.
3. Canteen to remain open after school.
4. Obtain new flag from B. F. Sisk.
5. Cheerleaders to be elected by the general student body.
6. Establish a Student Council Workshop.
7. Revise class election procedures.

FIRE SQUAD

Serving the school in the conduction of regular fire drills, Madera High's fire squad has received fine appraisal from the local and state fire departments. These boys have been trained to act quickly in case of an emergency.

The number of boys chosen for the job is limited. In the event of an actual fire, the boys are charged with the policing of numerous areas around the school, and are allowed to use the school's fire equipment.

FALL

Friendship and cooperation being the foundation of club interest, Girls' League is designed to encourage active participation in its various activities.

Projects for the fall semester consisted of a fashion show, and a masquerade dance which was entitled, "Carrousel Capers."

LEAGUE

Centered around the club's spring activities was the Blossom Day Dance from which the proceeds went for scholarships, which, in turn, were given to deserving girls.

In addition to many other activities, Girls' League worked very hard to contribute to the success of this year's Bermuda Day.

FFA

Mr. Biggs and the freshman agricultural science class.

CHAPTER OFFICERS: D. Giomi, Vice President; A. Hendrix, President; R. Siebert, Secretary. ROW 2: G. Desmond, Treasurer; K. Aoki, Sentinel; M. Ferretti, Sweetheart; G. Wiens, Reporter; D. Wiens, Chaplain.

Being the largest organization at MUHS, FFA functions as a major part of the vocational arts department. To become a member, one must be enrolled in one of the many courses in vocational agriculture.

As freshmen, the boys work hard to try and accomplish all the goals set up in order to become a green-hand. When the boys are sophomores, the Capter Degree is the merit honor which can be obtained. An investment or an earned amount of \$50 is required.

The highest degree that can be awarded a Future Famer on the state level is the State Farmer Degree. In order to achieve this, the applicant must have earned five hundred dollars. This year's applicants included Greg Desmond, Don Wiens, and Arlin Hendrix.

This year the boys participated in local and state-wide contests, receiving top honors for their endeavors. Besides the agricultural competition, the boys decorated a float for the Old Timers Day Parade. Another activity was their canned food drive. Last March FFA held its annual barn dance, "The Cotton Ball." Music was provided by the Ron-Airs. Proceeds from the dance went toward sponsoring the Father-Son Banquet in May.

Something new to the history of Madera Future Farmers is the addition of girls to the Future Farmers organization. This year the Madera Future Farmers had a total of seven girl members. Women play an important part in today's field of agriculture. Because of this, the local members allowed this vast change to take place.

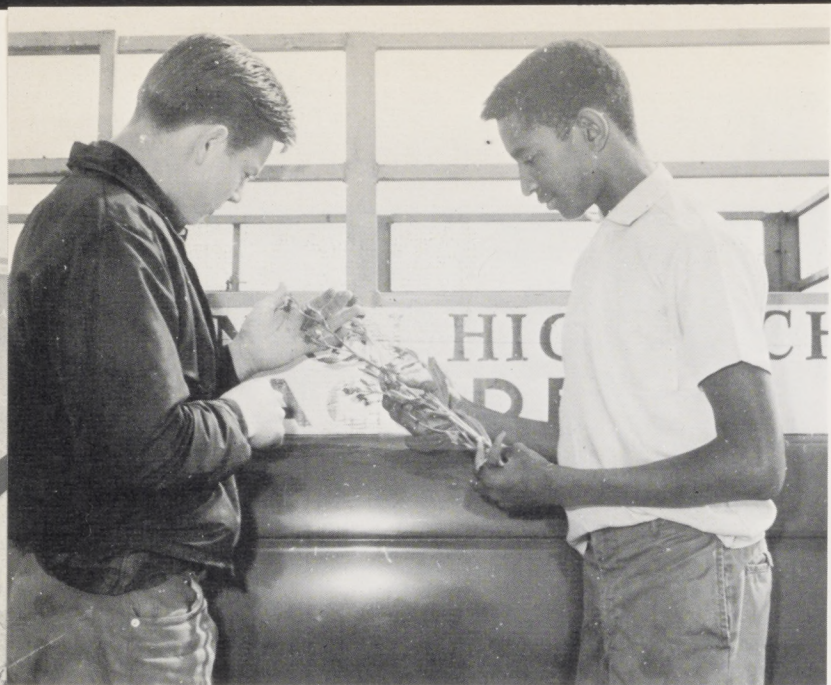

Standing around the model farm are G. Wiens, D. Mattrocce, L. Cargill, D. Attard, A. Hendrix.

Members of the ornamental horticulture class: Diane Attard and Leonard Cargill.

Members of the agricultural science class studying surveying: G. Turner, M. Mendrin, T. Sullivan, D. McKinney.

Members of the agronomy team: L. Greer and R. Turner.

Members of the parliamentary procedure team: D. Giomi, G. Desmond, L. Brown, J. Emmert, A. Hendrix.

The Future Farmer organization helps to develop boys in their ability to stand before a group and express their views. This year the Future Farmer Parliamentary Procedure Team received many honors while in competition with schools from throughout the state.

Some fifty-five boys represented the Madera Future Farmers at three major contests this year. These contests were at the University of California at Davis, Fresno State College, and state finals in San Luis Obispo. Many top honors were won by this group.

Members of the agricultural mechanics class: Mr. Allen, C. Andrew, A. Cosyns, A. Lam, B. Slaven.

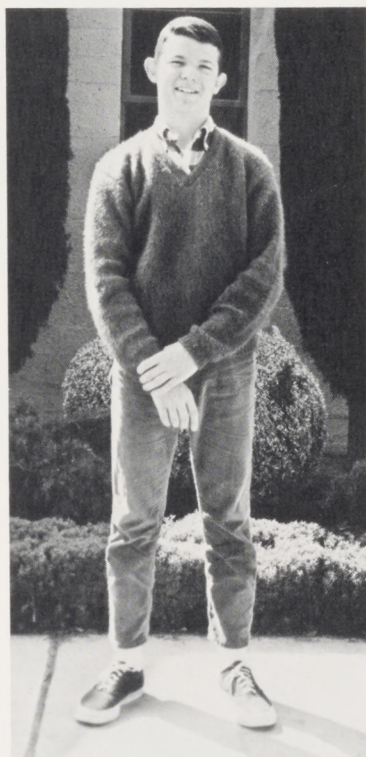

Madera FFA Field Day: M. Ferretti with some of the many trophies won this year.

Creating school spirit is the main objective for Madera High's Pep Club. Under the leadership of Sandi Carmassi, Commissioner of School Spirit, and Mr. Lowry, the club's advisor, the club was in charge of publicity for the football and basketball games, during which posters were put up around campus. In addition they were in charge of the rallies and provided for the stadium decorations and the construction of the coyote head.

This year the club was also in charge of publicity for the Bermuda Day activities.

YFC

The local chapter of YFC is a member of Youth For Christ International, a world wide organization. Meeting at the Rotary Youth Hut at 12:15 each Thursday, Madera YFC is one of the most active clubs in the valley.

Various speakers, with a special interest in teens, highlight each of the meetings along with other various activities. Speakers range from the Madera-Fresno area, or they may be from out of state.

On the first and third Saturday nights of each month, all the clubs in the area meet at the Fresno City College Auditorium at 7:30 p.m. for a rally. Transportation to the rally is provided through the courtesy of Mr. Thomas.

AFS

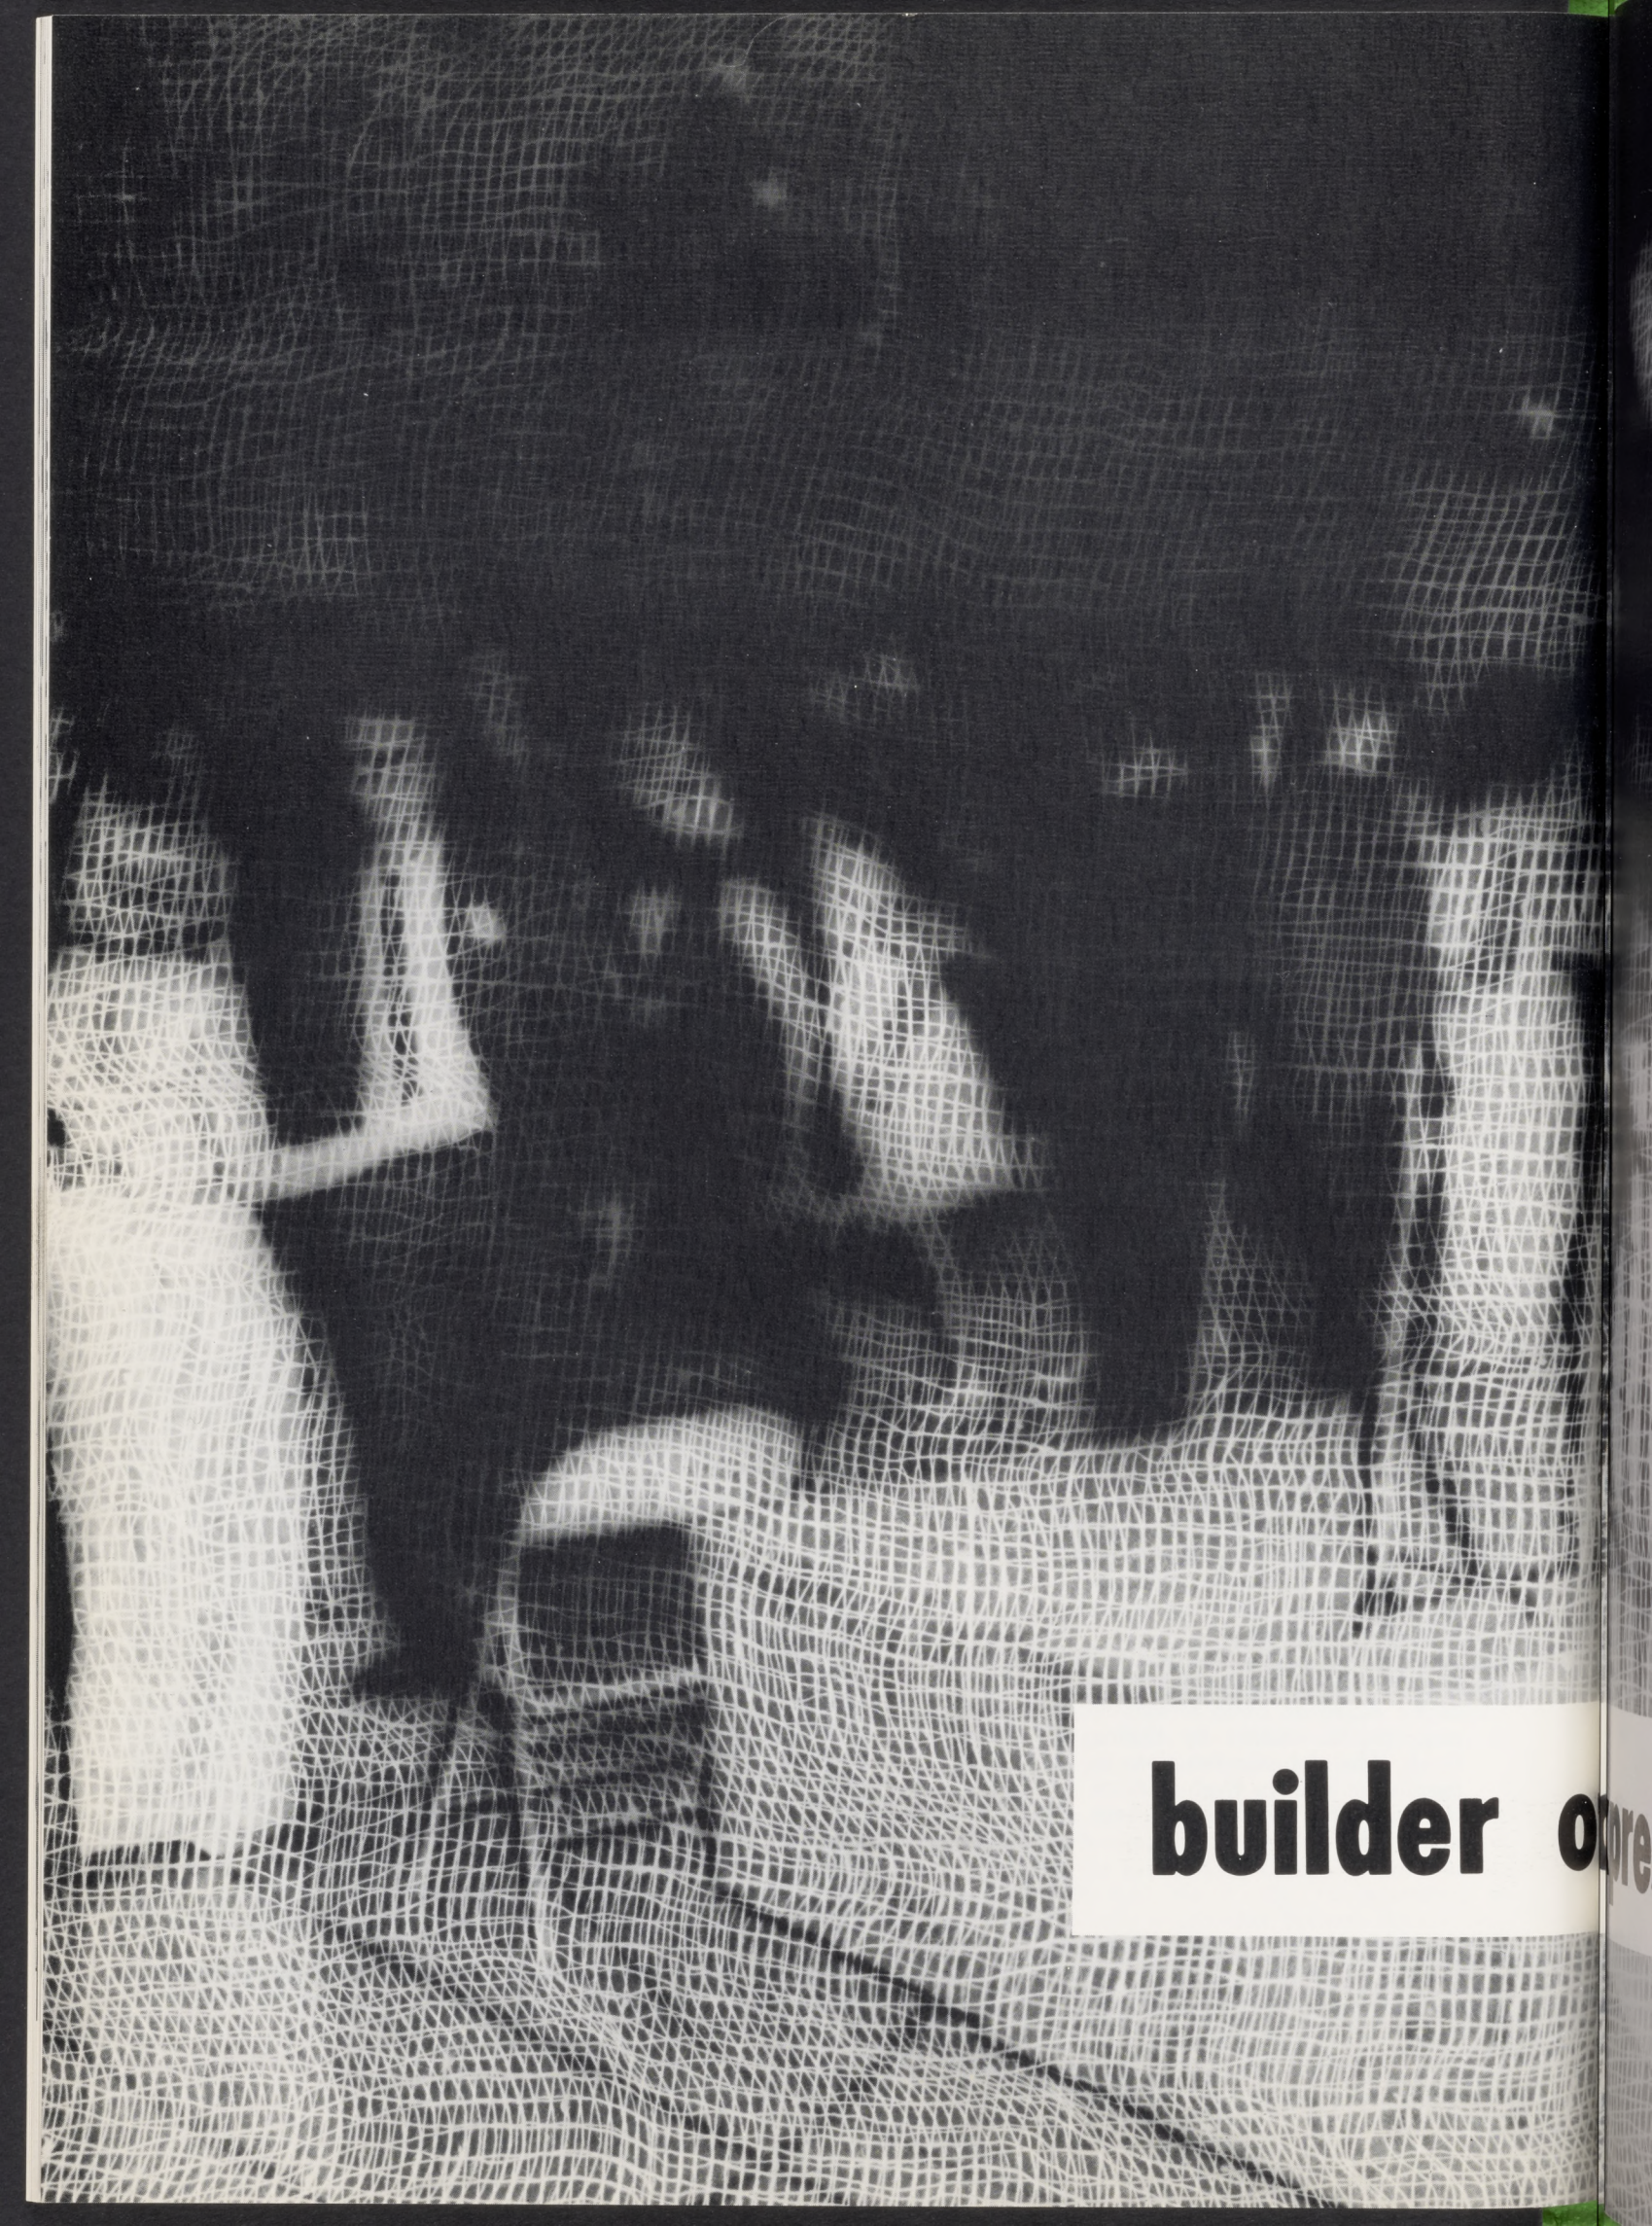

Established for the first time this year by Doug Robertson, the Madera American Field Service club was organized for the sole purpose of promoting good will and creating a climate of mutual concern throughout the world.

The club assists the local chapter of the American Field Service in procuring a student by raising funds. The club also functions to familiarize Madera High students with the AFS program both here and abroad.

Homecoming is in many ways *THE* week at Madera High. The students can let off, or defy customs with customs of their own. Where else or when else can you close off the main, or wear outlandish clothes? The success of *OUR* week depends on our spirit and on (believe it or not) meticulous organization. The former is accomplished by our hard-working pep squad, the latter by BLOCK M.

BLOCK M accomplishes many things for us—some obvious, but most behind-the-scenes. They put on a dance, provide help for needy children and recognition for our varsity athletes. The climax of the week is their selection of the queen. This year it was Jane Smalley with attendants Shirley Noble, Linda Berkeley and Carol Lari.

Queen Patricia Hensley. Runners-up L. Melenbacher and T. Medellin.

FROSH-SOPH RECEPTION

The theme for this year's Freshman-Sophomore Reception was "An Evening in Paris." The beautiful decorations carried out the theme in fine detail. This year's reigning queen was Patricia Hensley, with Toni Medellin and Linda Melenbacher as runners-up.

FROSH ASSEMBLY

This year's Freshman Assembly was noted as being one of the best ever presented. The talent was, as usual, the best and presented in a most pleasing manner. The freshman class can be proud of such a fine assembly.

MADERA 21 - TULARE 32

Madera's opening football game of the season was a disappointment with a 32-21 loss. Tulare started the game fast by scoring three times in the first quarter. Tulare's first touchdown came when their linebacker recovered a fumble on Madera's five yard line. Four plays later they went in for the touchdown. Tulare's next two scores were on runs of two and four yards by halfback Ron Robertson. Madera started their comeback when Don Zimmerman went around right end for fifty-five yards and a touchdown. During the second half, Tulare again scored on a fifty-five yard touchdown pass. From this point on, however, the game was all Madera's with the Coyotes scoring two touchdowns and at the same time holding the Redskins scoreless. Individual standouts were Don Zimmerman, Joe Keeble, and Dan Crump.

Madera lost their first league game of the year to Bullard 20-13. The Knights started off the first quarter by scoring a touchdown but missed the point after touchdown. But in the second quarter quarterback Don Zimmerman and Bill Tate started a series of hard hitting and running plays, but were stopped on Bullard's 31 yard line. With a few seconds left in the half Bullard again scored but missed the conversion again. This made the score 12-0 Bullard. The Coyotes struck back early in the third quarter with Zimmerman making a thirty yard sweep to the Knight's three yard line, then went over for the touchdown. Our point after touchdown was good making the score 12-7. On the kick-off the Knights got lucky and ran it back for a touchdown. The score was now 20-7. In the fourth quarter the Coyotes tried desperately for a touchdown and got one in the form of two long passes from Zimmerman to Robertson and Crump respectively. Crump made it across for the touchdown making the score 20-13. During the final minutes of the game the Coyotes tried desperately to get another six points but failed.

The Coyotes finally lived up to their potential; after being set back by Tulare and Bullard, they beat Roosevelt 12-7. The Riders up to that time were undefeated. Roosevelt started off with the ball and drove to Madera's 32 yard line before they were stopped by the blue and white grid-ders. Madera's first play of the game was a 68 yard touch-down pass from Larry Melikian to Don Zimmerman. The point after touchdown passed outside of the goal posts, making the score 6-0 Madera. In addition to the Coyotes' great speed, Roosevelt was also surprised by other factors, basically the defense which held them to only 29 yards rushing, and held the offense to a -20 yards in the first half. After no success on the ground, Roosevelt went to the air and completed a 56 yard pass for a touchdown. The conversion was good bringing the score to 6-7 Roosevelt's advantage. It wasn't until the fourth quarter when Madera's winning touchdown was set up by two quick-thinking Madera ends, Jamie Weldon and Ron Manfredi. The Roosevelt punter positioned himself on the Rider thirty-five and readied himself to receive the ball from center, but the punter wasn't prepared for Weldon's incredible leap which blocked the punt and allowed Ron Manfredi to recover the ball on the Rider 31 yard line. This resulted in Madera's winning touchdown.

The Madera Coyotes again lived up to their expectations in their 26-14 wipe over the Merced Bears. Madera's first score was in the first quarter when Don Zimmerman broke through a huge hole to go up the middle to bring Madera to the Bear's five yard line. The Bear's defense stiffened at this point and held the Coyotes. Linebacker Millard Henderson, set Madera up for their first touchdown by intercepting a pass and returning it to the Merced eight yard line. Three plays later Zimmerman bulled his way in for the touchdown. Madera's second touchdown was set up by bull-like rushes by Dan Crump, Robert Brannon and Don Zimmerman. Merced's lone first half touchdown was set up by Rod Ellison, who shook five Madera tacklers before George Valdez stopped him after a 35 yard gain. Three plays later Ellison skirted off right end for the touchdown. In the second half Madera completely overplayed Merced. The Coyotes scored two more touchdowns and held the Bears scoreless until the last minute of play. Big guns for the Coyotes were Valdez, Crump, Ron Manfredi, and Zimmerman.

The Edison Tigers staged a fourth quarter rally to tie the Madera Coyotes by a 14-14 count. The first half saw both teams battling to a tie of 0-0. In the second half, Edison turned an on-side kick recovery into a touchdown as they moved from the Madera forty yard line to score on a three yard plunge by Joe Henderson. The extra point was good, and Edison had a 7-0 lead. Madera's first score came in the middle of the third quarter when quarterback Don Zimmerman rolled and ran eighty yards for the score. Madera scored again as Bill Tate bulled his way for several key runs and then scoring. Edison scored their last touchdown on a four yard run by Chuck Laney. Final score was 14-14.

Both teams battled to a scoreless deadlock in the first quarter, but North scored first on a 14 yard scoring run. North tallied again in the third period on an eighty yard drive. The extra point attempt failed and Madera trailed 13-0. In the third quarter the Coyotes scored in twelve plays behind the gifted passing arm of quarterback Don Zimmerman. North High scored once more on a fifty yard march down field. With two minutes left in the game the Coyotes came roaring back to score on a seven yard pass from Zimmerman to Peregoy. North High stalled out the remainder of the game to emerge victorious by a 20-14 count.

20-30 AWARDS

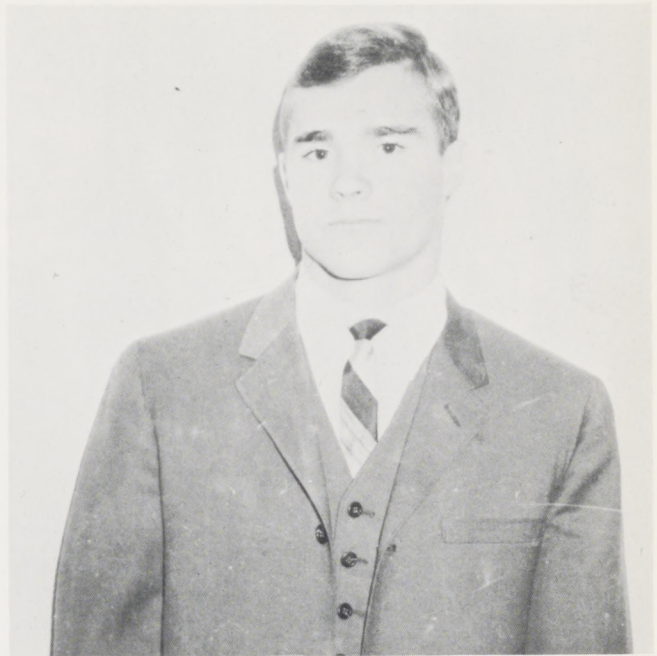

Halfback Dan Crump
20-30 Award Winner

On a fog blinded field Madera Union High School Coyotes tied the Fresno Warriors 7-7. In the first quarter the Warriors received the ball on their own ten yard line and pushed down field to score on a pass play. The Coyotes scored early in the second when Crump ran 87 yards for a touchdown. In the fourth Telegan passed to Jurkovich for an apparent touchdown. But, to the relief of all Madera fans, the touchdown was nullified because of an illegal receiver down field. The game ended in a 7-7 tie.

20-30 AWARDS

The Madera Coyotes put together what could well be called their finest performance of the year. The outcome of the game was actually settled at the end of the first half when Madera raced to a 26-0 lead. The first score came on a thirty yard run by fullback Robert Brannon. The second on an eighteen yard run by Don Zimmerman. Zimmerman also accounted for the third score as he raced 62 yards down the sidelines for the score. In the second quarter the reserves marched for a score just as easily as the first string with quarterback Larry Melikian hitting end Don McKinney on a thirteen yard scoring pass. Although Hoover came back in the second half and battled on even terms, it was too little and too late as the Coyotes went on to win by a 32-7 count.

Linebacker Joe Keeble

20-30 AWARDS

Halfback Bruce Hawkins
20-30 Award Winner

The Clovis Cougars, running from a well-drilled single-wing attack, completely demolished the Coyotes by a 21-0 count. Clovis scored their first of three touchdowns early in the second quarter when they recovered a Coyote fumble on the Madera 30 yard line and moved in for the score in five plays. The Cougars scored again late in the second quarter on an intercepted pass just before the half ended. In the third quarter, Madera looked like a new ball team as they marched from their own thirty to the Cougars two with Robert Brannon and Dan Crump being the big guns in the attack. However, an insurmountable goal line stand by the Cougars starved off the hungry Coyotes on the two. The rest of the game was all Clovis' as they scored another touchdown to end the game 21-0.

LINEMAN OF THE WEEK

The Madera Coyotes put together what could well be their finest performance of the year as they bounced the McLane Highlanders by a 20-12 count. Actually the game wasn't nearly as close as the final score indicated since McLane scored both touchdowns on freak fumble recoveries. Madera, however, ripped off big gains seemingly at will with back Robert Brannon, Bill Tate, Dan Crump, and Don Zimmerman all getting into the act. However, when all was said and done, there was little doubt that it was the Madera line that was most responsible for the victory. Led by big George Valdez, the Coyote line completely outclassed the Highlanders.

OUTSTANDING PLAYERS

Coach Farrell, Coach Zimmerman, Doug Robertson, Don Zimmerman, George Valdez, Coach Ladley, Coach Harper, Dave Anderson, Joe Keeble, Dan Crump.

Zimmerman.....Most valuable and most inspirational. Don was no doubt our most valuable player. He was always our starting quarterback and never missed a game unless he was injured. Through his outstanding efforts he succeeded in capturing the team with enthusiasm.

Crump.....Most dependable. Most dependable was the title bestowed upon Dan. He was always there when he was needed, both on offense and defense. He was a real hard hitter, and deserving of his title.

Anderson.....Most improved. Dave's senior year proved to be his best of four years of football, as he proved himself an eager leader and a hard hitter.

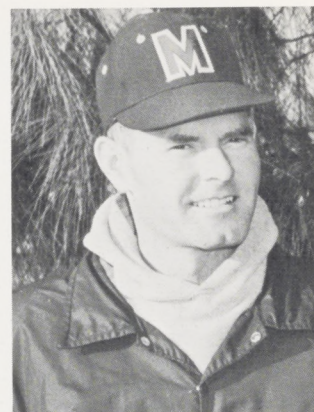

Robertson.....Sportsmanship. Doug's sense of fair play earned him the distinction of this all important title. Doug always showed the utmost in sportsmanship both on and off the playing field.

Keeble and Valdez....Co-captains. These two boys both showed excellent leadership ability and so were honored with the titles of team co-captains.

VARSITY BASKETBALL

Coach Lyons

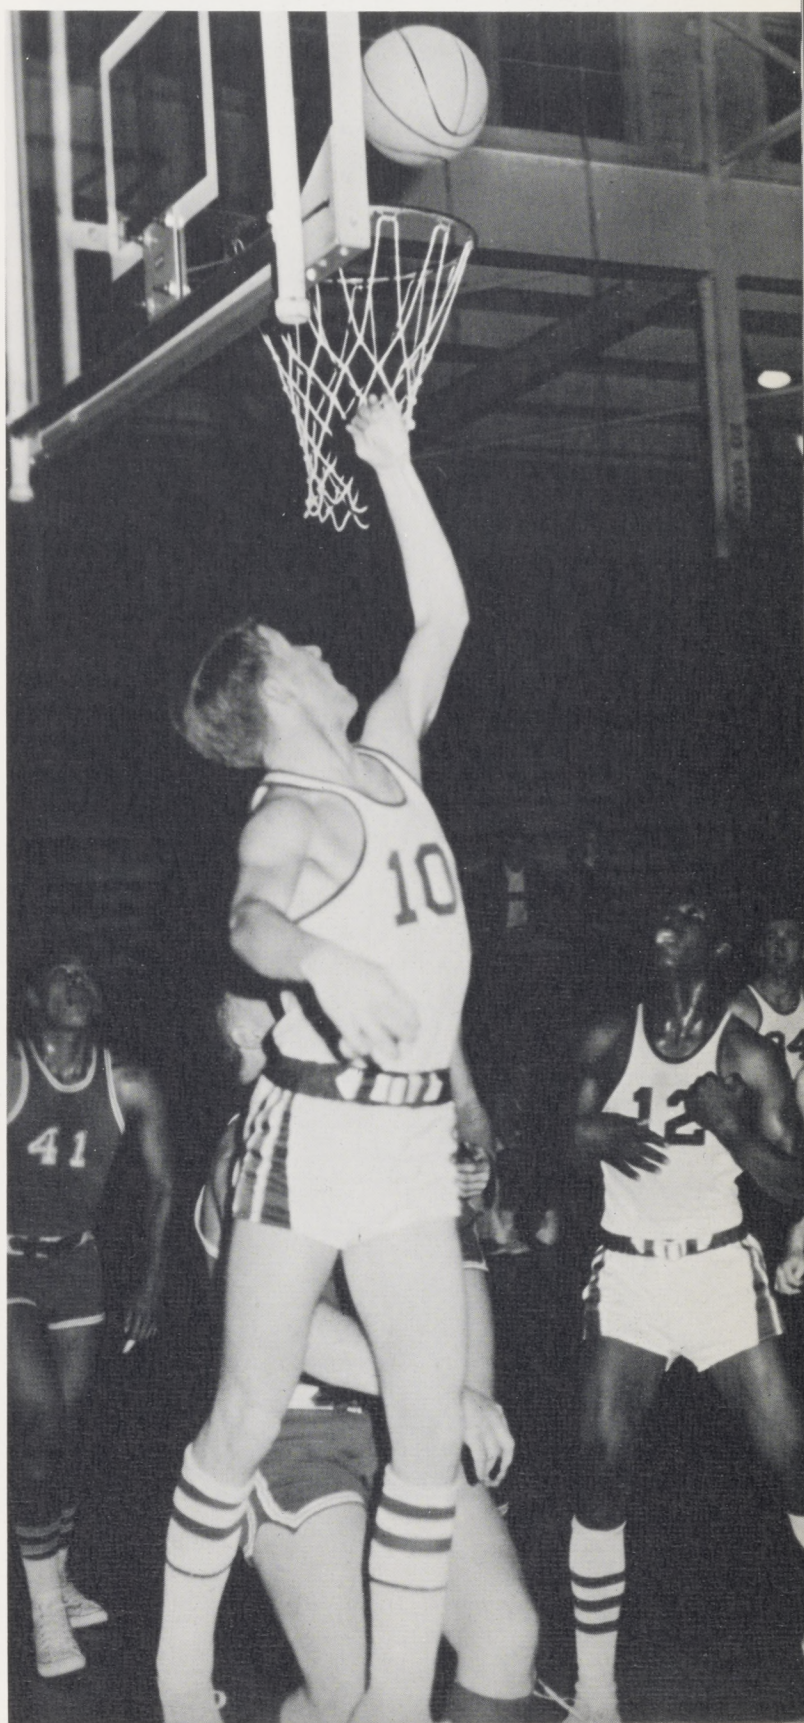

The Coyote hoopsters of 1964-65 faced a tremendous task—trying to compete in the tough NYL with a very short team, short in height and experience. The team proved to be tall in one department though, hustle and determination, and because of this earned the respect of all its opponents, even though victories came infrequently.

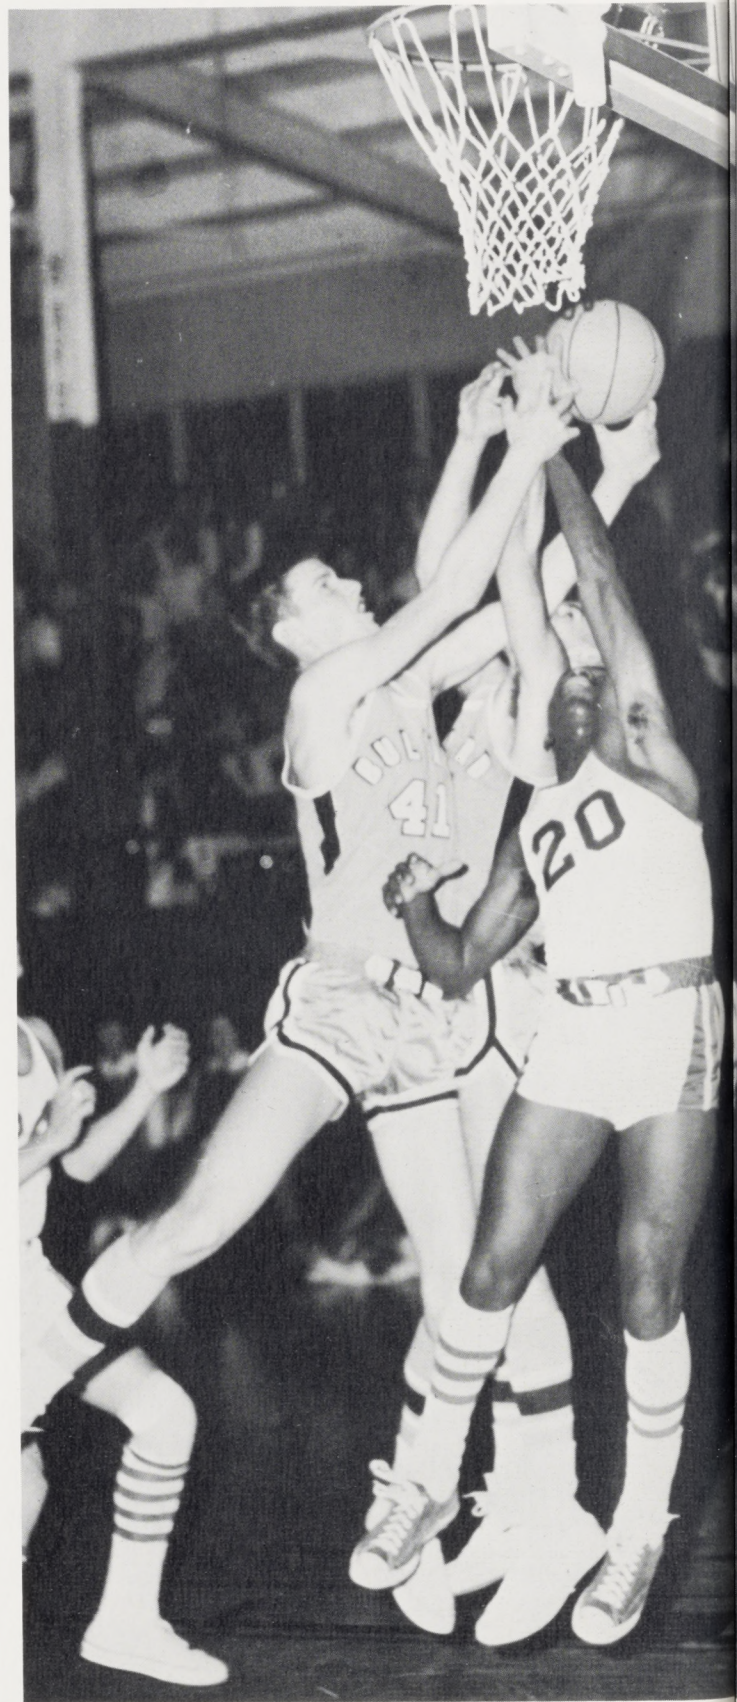

The team was led by center Tommy Allen, a 5' 11" jumping jack, who called most of the individual honors: most points, most rebounds and best free throw percentage. A couple of sophomores, Larry Badorine and Robert Tyler, were usually in the starting lineup. Add this to the fact that Madera had some fine prospects on the frosh and soph. teams, and the prospects for future years appear bright.

Coach Brooks

The 1965 wrestling season turned out better than expected due to the development of many outstanding underclassmen. Our squad had only four senior members, enabling many underclassmen an opportunity for varsity competition. It has been a privilege for me to work with this fine group of boys and our assistant coach Mr. Downum.

WRESTLING AWARDS

BILL TATE

At the annual Spring Banquet the wrestlers were honored for their efforts during the season. That evening Bill Tate, a senior, walked off with all the awards that were to be presented. Bill has been an outstanding wrestler throughout his high school career, but this year he achieved his highest goals. Bill was chosen Team Captain and he also was high-point-dual-meet man and high-point-tournament man.

Russell Fike has devoted much time and effort throughout the past four years as a wrestler and manager. As manager he has had to keep track of all the team's equipment and supplies. This involves two hours a day plus many weekends. Without Russell, Coach Brooks would have had no time to coach. Many persons have tried to help manage the wrestlers, but all of them agree that it is the toughest job of all. At the end of the season the wrestlers bought Russell a trophy for the best manager for his much appreciated efforts.

Coach Weddle

We have hopes of the 1965 Varsity baseball season being a good one. There are 12 returning lettermen; a very good nucleus to build around. High school baseball depends a great deal on pitching. If our pitching staff can come through, our problems will be smaller. Defensively we feel we have as good as any team in our league. Our hitting and fielding should improve with each game. By mid-season we should know how our pitching is holding up, and we expect it to be tops.

Despite the loss of two valley champion players the Madera High Tennis Team should have a successful season. Back for their second year of leading the team, Dale Cozby and Phyllis Waag, face the tough task of developing a relatively green squad against the toughest competition in the valley.

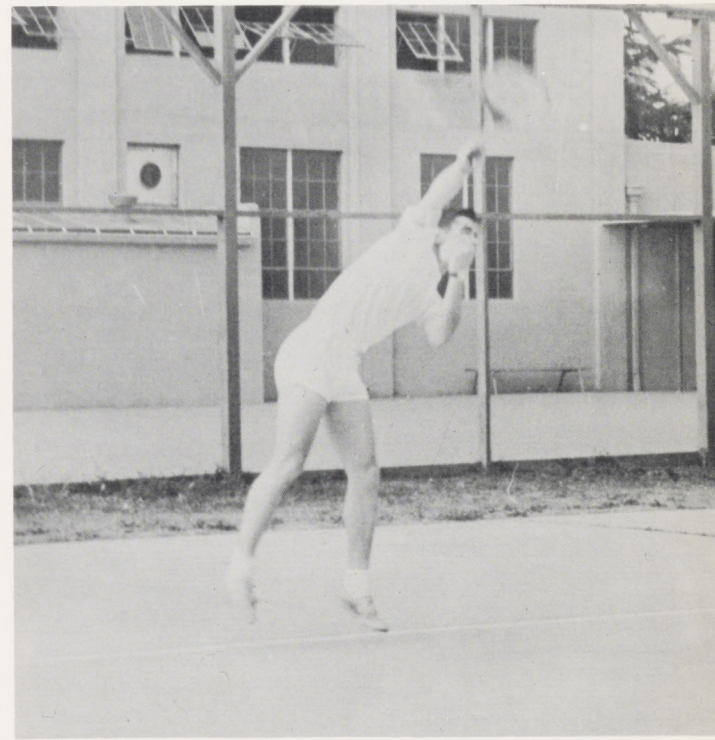

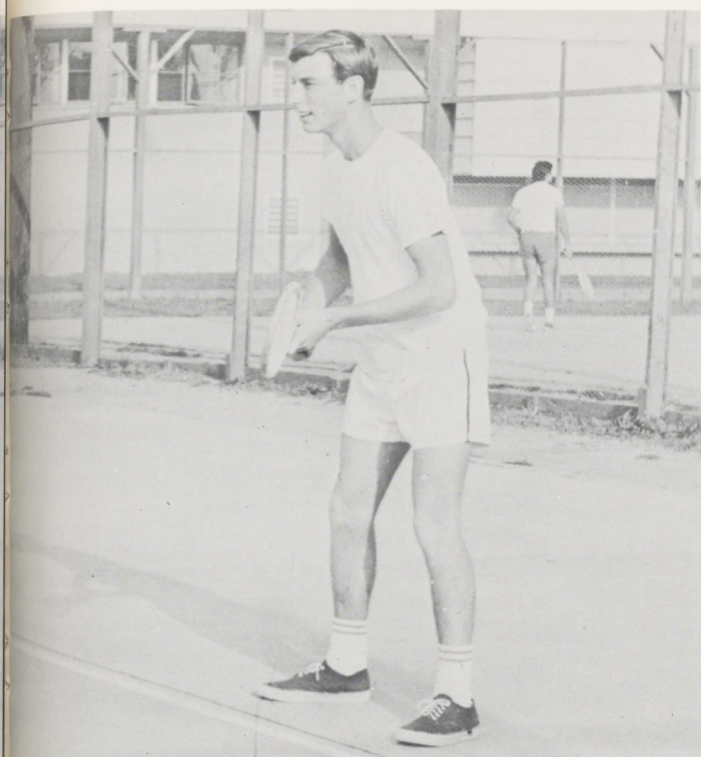

Returning lettermen are Jim Thomasson, Wayne Korth, and Doug Robertson, Girl returnees are Sharon Weber, Diane Bowser, Karen Sloan, Pat Weber, Linda Schroeder, Linda Benway, and Mary Ponzio. Others playing varsity this year are Don Grover, Kris Piper, Gary Cochran, and Glenn Moore, Grover is the captain of the squad. There are also promising beginners.

DIVERS—STANDING: Patty Uhalde, Cheryl Helmuth, Linda Duke. ON THE LADDER: Don McAlister, Dave Anderson, Dennis Rowe.

Coach McAlister

This year's team has more depth than any team in the history of swimming at Madera High School. Three seniors will have made their marks in their respective events: Kirk McCarty swimming backstroke; Bob Simonian in the 200 and 400 yd. freestyle events; Dave Anderson, runner-up in the Valley Diving event last year. Don McAlister and Dennis Rowe are defending champions in the Valley A and B Division Diving. Outstanding stroke swimmers in the B classification are: Jim Johnson, breaststroke; Don Williams, butterfly stroke; Bob Raymond, backstroke and freestyle. Among the girls who have made an enviable record are: Marcella Flores swimming butterfly and breaststroke; Jeanne Hatch swimming freestyle and butterfly; Chris Rynerson swimming backstroke; Cheryl Gough swimming individual medley; and Patty Uhalde and Cheryl Helmuth sharing honors in the diving event. There are many outstanding freshman and sophomore swimmers backing up this year's team who will help the Coyotes gain their share of the season's victories.

AFTERWORD

The 1964-1965 school year has come to a close and with it we, the editors, have put the finishing touches on the 1965 Blue and White. During this past year the Blue and White staff has been faced with many hardships, but these obstacles have been overcome through the co-operation of the staff and our advisor Mr. Gene Griffith. However, we've also had our fun producing this yearbook and we sincerely hope that you'll enjoy your 1965 Blue and White.

We wish to express our deepest appreciation to Mr. Ralph Howell and Mr. Dale Griffin for their outstanding work on the senior portraits. A special thanks goes to the Madera merchants, the Madera News Tribune, and the Madera citizens who gave us a great deal of support. To Mr. Junior Dominici and Mr. Darrell Stanley, our company representatives, we wish to extend our deepest and most sincere thanks for the hard work and assistance which they gave us. We would also like to thank the faculty and the administration for their help and encouragement. And last but not least, an extra thanks to Karen Isakson, Jeanie Shea, Millard Henderson, Mark "Tweetie" Stephenson, and our very understanding parents. Without these people we could not have completed our yearbook.

Above all, however, we wish to thank you, the students, for you are the *raw material* and the *final product*.
